What is a Team of 3?

Teams of 3 aims to encourage your enjoyment in the game, broadening your experience with teams events and providing opportunities to learn from and with others.

3 novice players team up with an expert as team captain. The expert plays sequentially with all 3 novices. QBA organises the team captains and matches an expert with your team but if preferred, teams may arrange for their own expert captain.

- Each novice player must have **fewer than 50 masterpoints** at 31/03/2021
- Enter as **an individual, a pair or a team of three** but all entrants become members of a Team of 3
- Teams may enter with or without an expert Captain
- The field will be divided into three grades on masterpoint rank
- Green masterpoints are awarded
- Each novice player must bring their **completed ABF system card** as the Captain will play that system
- **Entries with payment** must be received **by 2:00pm on Wednesday 7th July**
- Maximum 40 teams. If we have to limit numbers close to the competition date, the last entries will be the first to go
- Please BYO cup, snacks and pen
